

Points breakdown:	
Single day tournaments have the below point values, 2+ day tournaments will double the below points. (For example, a 2-day tournament means that 4th place would be worth 6 instead of 3).	
In the case that events are combined (Dramatic Performance) or Mixed Extemporaneous Speaking, the VP of Communications will reach out to the school to assure points were allocated correctly.	36
In single day events without break rounds debate points will award the values of 1st and 2nd, and then semi-finals to 3 and 4, and quarterfinals to 5-8
